Table is sorted by 3 year performance. Performance figures are net of investment, management, administration fees and the indirect cost ratio. In the case of dollar-based member fees, Rainmaker assumes a \$50,000 account balance. Your achieved performance may vary due to additional costs such as insurance; ask your fund for details. Public offer funds are open to all types of members. Limited public offer means new members may join provided they satisfy certain eligibility conditions. Past performance is no guarantee of future results.
